CLIENT INFORMATION AND CONSENT

Therapist
The undersigned therapist is a licensed professional counselor engaged in a private practice providing mental health care services to clients.

Mental Health Services
While it may not be easy to seek help from a mental health professional, it is hoped that you will be better able to understand your situation and feelings and move toward resolving your difficulties. The therapist, using her knowledge of human development and behavior will make observations about situations as well as suggestions for new ways to approach them. It will be important for you to explore your own feelings and thoughts and to try new approaches in order for change to occur. You may bring other family members to a therapy session if you feel it would be helpful or if this is recommended by your therapist.

Appointments
Appointments are made by calling (720) 515-4711 Monday through Friday between the hours of 9:00 A.M. and 5:00 P. M. **Please call to cancel or reschedule at least 24 hours in advance, or you will be charged for the missed appointment.** Third-party payments will not usually cover or reimburse for missed appointments.

Number of Visits
The number of sessions needed depends on many factors and will be discussed by the therapist.

Length of Visits
Individual therapy sessions are 60 minutes in length. Couples and family sessions generally run 90 minutes in length.

Relationship
Your relationship with the therapist is a professional and therapeutic relationship. In order to preserve this relationship, it is imperative that the therapist not have any other type of relationship with you. Personal and/or business relationships undermine the effectiveness of the therapeutic relationship. The therapist cares about helping you but is not in a position to be your friend or to have a social or personal relationship with you. Gifts, bartering and trading services are not appropriate and should not be shared between you and the therapist.

Cancellations
Cancellations must be received at least 24 hours before your scheduled appointment; otherwise YOU will be charged the customary fee for that missed appointment. You are responsible for calling to cancel or reschedule your appointment.

Payment for Services
The charge for individual sessions is $150 for each 60-minute session thereafter. The charge for couples and family 90-minute sessions is $250. The undersigned therapist does accept assignment of insurance benefits. However, **the undersigned therapist will look to you for full payment of your account, and you will be responsible for payment of all charges that are not covered by insurance.**

Although it is the goal of the undersigned therapist to protect the confidentiality of your records, there may be times when disclosure of your records or testimony will be compelled by law. Confidentiality and exceptions to confidentiality are discussed below. In the event disclosure of your records or testimony is required by law, you will be responsible for and shall pay the costs involved in producing the records and the therapist's normal hourly rate for the time involved in preparing for and giving testimony. Such payments are to be made at the time or prior to the time the services are rendered by the therapist.

Confidentiality
Discussions between a therapist and a client are confidential. No information will be released without the client's written consent unless mandated by law. Possible exceptions to confidentiality include but are not limited to the following situations: child abuse; abuse of the elderly or disabled; abuse of patients in mental health facilities; sexual exploitation; AIDS/HIV infection and possible transmission; criminal prosecutions' child custody cases; suits in which the mental health of a party is in issue; situations where the therapist has a duty to disclose, or where, in the therapist's judgment, it is necessary to warn or disclose; fee disputes between the therapist and the client; a negligence suit brought by the client against the therapist; or the filing of a complaint with the licensing board. If you have any questions regarding confidentiality, you should bring them to the attention of the therapist when you and the therapist discuss this matter further.

By signing this information and consent form, you are giving your consent to the undersigned therapist to share confidential information with all persons mandated by law and with the agency that referred you and the managed care company and/or insurance carrier responsible for providing your mental health care services and payment of those services, and you are also releasing and holding harmless the undersigned therapist from any departure from your right of confidentiality that may result.

Duty to Warn
In the event that the undersigned therapist reasonably believes that I am a danger, physically or emotionally, to myself or another person, I specifically consent for the therapist to warn the person in danger and to contact the following persons, in addition to medical and law enforcement personnel:

Risks of Therapy
Therapy is the Greek word for change. You may learn things about yourself that you don't like. Often, growth cannot occur until you experience and confront issues that induce you to feel sadness, sorrow, anxiety, or pain. The success of our work together depends on the quality of the efforts on both our parts, and the realization that you are responsible for lifestyle choices/changes that may result from therapy. Specifically, one risk of marital therapy is the possibility of exercising the divorce option.

After-Hour Emergencies
Emergencies are urgent issues requiring immediate action. If you feel that you need assistance with a life-threatening emergency please call The Suicide and Crisis Center Hotline at (303) 447-1665 or Dial 911.

Consent to Treatment
I, voluntarily, agree to receive Mental Health services, and authorize the undersigned therapist to provide such services as are considered necessary and advisable.

I understand and agree that I will participate in the planning of my treatment, or services, and that I may stop such treatment, or services that I receive through the undersigned therapist at any time.

By signing this Client Information and Consent form, I, the undersigned client, acknowledge that I have both read and understood all the terms and information contained herein. Ample opportunity has been offered to me to ask questions and seek clarification of anything unclear to me.
